13 "the purposes of this Act.

14 The competitive process followed by the State shall take  
15 into account the third party's ability to:

1           (1) market the Lottery to those residents who are not  
2           currently regular players of the Lottery, paying  
3           particular attention to those who are most likely to make  
4           regular purchases on the Internet;

5           (2) address the State's concern with the social effects  
6           of gambling on those who can least afford to do so; and

7           (3) provide the most successful management of the  
8           Lottery for the benefit of the people of the State of  
9           Illinois based on current and past business practices or  
10           plans of the third party.

11           The Lottery shall remain, for so long"; and

12 on page 3, by replacing line 12 with the following:

13           "Sec. 7.12. Internet pilot program. The General Assembly  
14           finds that:

15           (1) the consumer market in Illinois has changed since  
16           the creation of the Illinois State Lottery in 1974;

17           (2) the Internet has become an integral part of  
18           everyday life for a significant number of Illinois  
19           residents not only in regards to their professional life,  
20           but also in regards to personal business and communication;  
21           and

22           (3) the current practices of selling lottery tickets  
23           does not appeal to the new form of market participants who  
24           prefer to make purchases on the internet at their own  
25           convenience.

1       It is the intent of the General Assembly to create an  
2 Internet pilot program for the sale of lottery tickets to  
3 capture this new form of market participant.

4       The Department shall"; and

5       on page 3, line 17, by replacing "program. The" with "program.  
6 These rules shall include requirements for marketing of the

9       on page 5, line 4, by replacing "an" with "one"; and

10       on page 5, line 6, after the period, by inserting  
11 "Non-residents of Illinois shall only be allowed to participate  
12 in the pilot program if the federal Department of Justice  
13 indicates that it is legal for non-residents to do so."; and

14       on page 5, line 10, after the period, by inserting "If any  
15 participant in the pilot program violates any of provisions of  
16 this amendatory Act of the 96th General Assembly or rule  
17 established by the Department, all such winnings shall be  
18 forfeited. Such forfeited winnings shall be deposited in the  
19 Common School Fund."; and

20       on page 5, by replacing lines 11 through 22 with the following:

1           "(20 ILCS 1605/7.16 new)

2           Sec. 7.16. Voluntary self-exclusion program for Internet  
3 lottery sales. Any resident, or non-resident if allowed to  
4 participate in the pilot program, may voluntarily prohibit  
5 themselves from establishing an Internet lottery account. The  
6 Department shall incorporate the voluntary self-exclusion  
7 program for Internet lottery accounts into any existing  
8 self-exclusion program that they currently operate.

9           (20 ILCS 1605/7.17 new)

10          Sec. 7.17. Contracts. The contract with a private vendor  
11 to fulfill the program requirements must be separate from  
12 lottery contracts existing on the effective date of this  
13 Section.

14          All contracts entered into (i) with a private vendor to  
15 fulfill the requirements for the pilot program under Section  
16 7.12 or (ii) for the development and provision of technology  
17 and controls under this Section shall be subject to competitive  
18 bidding in accordance with the Illinois Procurement Code.

19          The Department shall award contracts for the development  
20 and provision of technology and controls to ensure compliance  
21 with the age and residency requirements for the purchase of  
22 lottery tickets on the Internet pursuant to competitive bidding  
23 processes. The technology and controls must include  
24 appropriate data security standards to prevent unauthorized

1 access to Internet lottery accounts.".
